

WHITE BLOSSOM

CONSULTING

Every home deserves to be complimented with a garden. Gardening doesn't need to be complicated, nor does it need to be boring. Your garden should reflect you as much as your home. Gain the confidence in maintaining your garden without it cutting into "life".

Consultations

Our general garden consultation service involves visiting your garden and answering questions, providing customised advice, teaching gardening techniques and helping you solve your gardening problems.

Children's Play spaces

Offering a huge range of children's place spaces from Cubby's and swings through to mud Kitchens and planter boxes. Custom made and designed to suit any backyard and budget.

Garden Doctor

Virtually send me your garden problems and I'll give you the answers.

Tailored Maintenance programs

The complete guide to keeping your garden in great condition. Customised to your plants, garden and lifestyle. Including a yearly calendar of what, how and when you need to do to keep your garden beautiful.

Planning and Project Management

White Blossom X White Houses Garden planning includes

- Initial consultation to discuss your scope of works and bring ideas to the space.
- Garden planning tailored to your functional and maintenance requirements.
- Spatial design, permit and building of hardscaping (pool, pergolas, decks, carports etc.)
- Project management of hardscaping
- Supply of pools and all that goes with this, pool fencing, concrete/tiling/decking surrounds
